

PSIA-AASI Intermountain Members:

I am a lifelong skier – my mother was a ski instructor and started me on skis when I was 18 months – and will bring my passions for skiing, teaching, and education, as well as my legal and board experience to service on the Intermountain Board. I taught skiing at Suicide Six (now Saskadena Six) and Killington during the time I was attending Vermont Law School in the early 1980s. I have been teaching at Sun Valley from 2020 to the present and I am a Trainer at Sun Valley. I have been a PSIA-AASI member since 2018 and am PSIA Level 2 Alpine certified.

I am an experienced advocate, business-minded strategist, and seasoned litigator - skills developed practicing intellectual property law for over 35 years (including O'Melveny & Myers from 2002 to 2019). Since retiring from law firm practice at the end of 2019, I have continued advising a nonprofit - the XQ Institute - on matters relating to reimagining high school education.

My board experience includes my current roles as the Board President of the Sun Valley Music Festival and Board President of the Weyyakin Ranch Property Owners Association, and past roles as Vice Chair of the Board of the San Francisco Chamber Orchestra, and as a Member of the Advisory Board for the Dean of the College of Liberal Arts and Sciences at the University of Connecticut (my alma mater).

My interest in serving on the Intermountain Board of Directors comes from my desire to use my experience and skills to support and develop snowsports education. I believe that I will be a strong representative of both the Sun Valley Ski and Ride School and the members of the Intermountain division of PSIA-AASI.
