

Hello my name is Wesley D'Ooge.

I am a full time snowboard instructor at park city.

I have been there for the last 2 years.

I am a level 1 and am going for my level 2 snowboard exam in March.

I saw the email about joining the board of directors and I talked to my supervisors to include Mike Thergood and they think I would do well on the board. I live in Salt Lake City full time year round and my passion is snowboarding.

I have been snowboarding sense I was 10. I am 32 now. I joined the army out of high school and was honorably discharged. Snowboarding helped me find passion and love for something after a hard time in the military. Snowboarding is my passion and I love sharing that to my family, friends, and students. Snowboarding has helped me live a happier healthier lifestyle and I enjoy sharing that with others as well.

I am married. I have 2 kids and a dog and I get them out in the snow as much as possible. From skis to boards to sleds we have a variety of fun on snow and love our family snow days here in Utah.
